Sherman Berg .....	Shorthorn Country

This show is co-sponsored by the Missouri Department of Agriculture and the Missouri Shorthorn - Polled Shorthorn Association. The ribbons and cash awards provided by the State Department of Agriculture have been made possible through an appropriation by the Missouri Legislature. The funds have been appropriated to encourage the production, distribution and use of superior breeding animals in Missouri and only those animals representing the top 50% of the breed are awarded ribbons and premium monies.

## SHOW CLASSIFICATION

Grade A (Superior) — \$10.00 — Blue Ribbon — represents the 15% or less of the breed. These animals would fit into top purebred herds and flocks anywhere. They are correct in type, size, quality and breed character.

Grade B (Good) — \$5.00 — Red Ribbon — represents the next 15% of the breed. These animals are good enough to use in some purebred and most commercial herds.

Grade C (Unclassified) — NONE — No Ribbon — These animals are below average for the breed.

DON CAGWIN

Cagwin Cattle Services, Inc. • Box 156, Virginia, Ill. 62691

OFFICE 217/452-3232 • HOME 217/452-7520

It is indeed a pleasure to be asked to manage the Missouri State Sale. This is one of the most active State Associations in the country. Their Annual Spring Sale always presents an outstanding group of foundation cows. This year I feel the offering is stronger than ever.

Several bulls in this sale will make tremendous herd sires. They have the frame, muscle and cleanliness that the modern beef industry demands. As usual, there are many bulls that will suit the most discriminating commercial producer. Also note the outstanding service sires in the bred female section. Many 1976 show prospects are included in the Junior heifer calves.

I urge you to attend the Show and Sale. If possible, join us at the Homestead Restaurant Friday night for the social hour and banquet. If there is anything my staff or I can do to assist you, please do not hesitate to contact us.

Sincerely,

**PA DO DEFENDER'S DYNAMO 123 x** — In our opinion this is an excellent bull. He has done a great job for us, and we are going to miss him. Several visitors to our farm have commented that he weighs a ton. He is a 100% dehorner whose calves come easily from cows and heifers alike. We have yet to assist one of his calvings and all mature females exposed to him calve when due. We are selling him only because we have two calf crops on the ground and another on the way.
